

September 12, 2018

Dear Parent:

This is a notification of an upcoming change to our Before Care billing procedures at St. Anthony Catholic School. Beginning on October 1, 2018 all Before Care charges will be billed through Smart Tuition. All Before Care fees accrued in the month of September 2018 will be affected by this change. You may pay all fees through check or cash in the front office at St. Anthony or through automatic deduction from your account through Smart. Please note that failure to pay Before Care fees prior to the automatic payment date on the 20th of each month could result in additional money being deducted from your account.

If you have any questions or concerns regarding this change in procedure please contact us in the office at (317)636-3739.

Sincerely,

Cynthia Greer

Principal
