*All are made in the image and likeness of God •
What we learn today shapes our future • Every minute counts.*

Thanks to all who attended the Back to School Night last week. It is only through working together that we can accomplish the best for your child(ren).

NWEA/IREADY Assessments— Students in kindergarten through 8th grades began NWEA testing this week. First through eighth grades will also take the IREADY assessments. The results of these assessments will be shared at Fall conferences.

Upcoming PD Day and Holiday— Reminder that there will be no school on Friday, August 31 so that NDAA staff are able to participate in Professional Development. There will be no school for students on that day. The following Monday is Labor Day. There is no school on Labor Day.

Family Student Handbook for 2018-2019— Enclosed is the updated handbook for the 2018-2019 school year. Please sign and return the signature page by Thursday, August 30th.

Upcoming Family Night— Plan to attend our first Family Night of the year on **Thursday, September 6th**. Pizza will be served on a first come first served basis at 6:00 p.m. and the presentation from Officer Kelsey on Bullying will begin at 6:30 p.m. Students who attend with a parent will be out of uniform the next day. Students in kindergarten through 8th grades will go to their classrooms while PreK and younger children will remain in the gym with their parents.

Fall Conferences— Fall conferences will take place the week of September 10th. Watch for information to follow for the exact day and time for your family. Your child's Progress Report will be discussed and during this conference.

Looking for Volunteers— I am looking for volunteers to help dig out the dead bushes and pull weeds in front of the school and trim bushes. We would also like volunteers to bring in lunch and snacks for teachers during conference week. If you are able to help, please contact the school office.

Tardies/Absences— For your child(ren) to be as successful as possible, it is important that they are on time each day and stay the entire day. Getting the children to school on time and picked up on time are an expectation of parents attending St. Anthony Catholic School. Late arrivals are a disruption to the learning environment and put the child arriving late at a disadvantage. Appointments should be made outside of school hours whenever possible. It is really difficult for children to make up the discussions/teaching that happened while they were gone. Thank you for your attention to this important piece of your child(ren)'s education.

Important Dates— Please review the important upcoming dates on the left.

Thanks for entrusting your children to us!

Ms. Cynthia Greer
Principal
