Thank You Parents! On behalf of the staff of St. Anthony Catholic School, I would like to thank you for all of your support during this challenging time. The dedication to education that you have modeled for your child(ren) by picking up and returning packets, helping them view DoJo, Google classroom and/or YouTube recording from teachers has been so appreciated. We also know the strain it has put on the entire family to help with student learning at home. This has definitely not been something we had planned on, but you have all stepped up to the plate to take on this challenge. Know that even though students are not on campus, the teachers and staff have worked tirelessly to record lessons, set up virtual meetings, communicate with parents and students and prepare and assess student packet work. This has been a challenge that we have all met head on. We really have a unique culture at St. Anthony that makes us strong as a community. We cannot thank you enough for all that you have done.

Monday-Wednesday- Student personal items that were left in lockers and desks have been bagged and will be available for pick up between the hours of 8:00 a.m.- 5:30 p.m. The final work packets may be dropped off. We have also put together activities with some supplies for students to use during our Virtual Field Day.

Friday- Students participate in Virtual Field Day at 1:00 p.m. if they can. Take pictures/videos of your child(ren) participating in our field day activities and send them to the classroom teacher.

Addresses/Phone Numbers- Please be sure that the office has your updated address and phone numbers. We will be communicating about any summer enrichment or what the start of school will look like as soon as we know guidelines and develop a plan.

Thank you for entrusting your child(ren) to us!
