Thank You! Join me in thanking the following staff members for all that they have done for our community during their time at St. Anthony:

Elaine Fairfield, Jessica Glazier, Peggy O'Connor-Campbell and Eric Schmidt

We truly appreciate the value that they brought to our community and wish them the very best in their future endeavors.

Welcome to New Staff- We would like to welcome Brooke Thomas as our new kindergarten teacher. Brooke earned her Bachelor in Science degree from Indiana University in Elementary Education with a concentration in Language Arts and Reading. Brooke has been receiving participating in Orton-Gillingham-Multisensory training this summer to prepare for the Fall. We also welcome Grace Weisenbach as our Assistant Principal. Grace earned her Bachelor of Science degree from Purdue University and her teaching certificate in Secondary Education in Life Sciences from Oakland City University. Grace will be working toward her Master of Science degree in Educational Leadership through the Remick Program at the University of Notre Dame beginning this summer.

Reading!- One of the best things your child/ren can do to help with the potential loss of learning over the last couple of months is to read. Marion County Public Libraries currently have curbside pick up during the pandemic. Visit www.indypl.org for additional information.

Grab and Go Breakfast Lunch- Summer breakfasts/lunches will be Grab and Go during the time that Covid restrictions are in place. Pick up is between 11:30 a.m.-1:30 p.m. Five days of lunch are provided for that pick up.

Potential School Start- I continue to prepare for the opening of school under different scenarios. We hope to open in the traditional face to face format, but will need to keep watch on directives from the Marion County Health Department and the Governor's Office. Thank you in advance for your flexibility.
